Subject: Revised documents to support three new local jurisdictions

Three new jurisdictions were added effective January 1, 2004. You should have already received notice of this change in late October or early November. The notice provided the name and rates for each of these jurisdictions. All jurisdictions are located in Miami-Dade County.

City Name (County Name)	Z-Code ID	Local Tax Rate
Doral (Miami-Dade)	ZDOR	5.72%
Miami Gardens (Miami-Dade)	ZMIG	5.72%
Palmetto Bay (Miami-Dade)	ZPAM	5.72%

The attached document(s) will provide the associated "Z-Code" for each of these locations. You may choose to add these location(s) to your 2003 list or replace them with the appropriate attachment. **It is recommended that you add these to your existing jurisdiction table.**

- **CST_Excel_Template_2004.xls** – Import format used by File Conversion Utility.
- **CSTDirectFDFinal2004.xls** – Used by Direct Filers to create the output file.

NOTE: You do not need to add these jurisdictions unless you do business in Miami-Dade.
